AT A GLANCE

3

companies founded

₹100M

annual turnover scaled

\$300M+

M&A value advised

99.99%ile

CAT LR & DI

WHAT I DO

- Fractional CFO & finance leadership for founder-led businesses
- Fundraising, investor readiness and capital structuring
- M&A strategy, diligence and transaction advisory
- Unit economics, operating models and cost transformation
- Greenfield build-outs: plant, supply chain and operations
- Board-grade reporting, controls and MIS
- Turnaround and profitability improvement programmes
- Strategy for new market and product entry

TRACK RECORD

Life Agro

Founded and scaled an agri-processing venture to ~₹100M annual turnover — built the plant, team and finance function from zero.

MLK Industries / Jiva Leathers

Ran manufacturing and trading operations, owning P&L, working capital and vendor networks.

Nomura — Strategy

Corporate strategy and planning support for global business lines.

o3 Capital — Investment Banking

Advised on mid-market M&A across \$300M+ of transaction value.

SKILLS & RANGE

Financial modelling & valuation

Accounting, audit & controls

Corporate strategy

Fundraising & investor relations

Plant & operations management

SQL, Excel, data analysis

Capital markets

Supply chain & procurement

ALSO

- Fast learner by habit — picked up SQL in days for an Accenture engagement, and learned every machine and part spec to run my own plant.
- Invited across schools to judge Shark Tank-style student entrepreneurship events.
